

## 2023-2024 Summer Request for Pell Award

***Satisfactory Academic Progress for returning students may not be calculated before the 100% refund period for classes beginning May 14th.***

I understand that I must have a completed FAFSA for the 2023-24 academic year on file with CSM in order to determine Pell Grant eligibility for the summer sessions.

If I was registered at CSM and/or another institution as full-time (12 credits) for both fall 2023 and spring 2024, I must be registered in at least 6 credits in the summer to be eligible for any Pell Grant. If for any reason my summer enrollment drops below 6 credits, my grant may be canceled.

If I am Pell grant eligible, an “estimated” award will be placed on my account which will hold my place in summer classes until spring grades are posted and cumulative satisfactory academic progress is evaluated upon completion of the spring semester.

I understand that if **I am no longer meeting Satisfactory Academic Progress** per Federal regulations upon the end of the spring semester, my summer aid **WILL BE CANCELED**, and I further understand **I may owe money** to CSM. SAP guidelines can be found here: <https://www.csmd.edu/costs-aid/credit-costs-aid/scholarships-financial-aid/policies-andprocedures/>.
