In Memory of Gina Taylor Johnson

This concert program is dedicated to the cherished memory of Gina Taylor Johnson, a beloved former member of our choir who touched our lives with her beautiful spirit and passion for singing. Gina's love for music was infectious, and she inspired us all to embrace the joy of singing. Gina's unexpected passing leaves a profound void in our hearts, and we honor her legacy through our shared love of singing.

In remembrance of Gina, we invite you to consider making a donation to the CSM Foundation in her name. Your contribution will help support music education and ensure that future generations of singers can experience the joy and connection that music brings.

Thank you for joining us in celebrating Gina's life and the impact she had on our choir community.
