OTHER WAYS TO CELEBRATE INNOVATION - Innovation happens in small, incremental steps! Try these:

-  **Get Outside** – Encourage employees to step away from their desks and refresh their minds.
-  **Change One Thing** – Challenge yourself to tweak how you start meetings or approach tasks.
-  **Job Swap or Shadow** – Gain new perspectives by experiencing a co-worker's role.
-  **Clear Your Calendar & Be Creative** – Set aside time for brainstorming and problem-solving.
